Who We Are

Webster Bank (NYSE:WBS) is a values-driven, leading commercial bank with more than \$60 billion in assets focused on delivering market-leading financial solutions to help businesses, individuals, families and partners to achieve their financial goals.

With our headquarters in Stamford, Connecticut, our footprint spans the Northeast from the New York City metropolitan area to Rhode Island and Massachusetts. We offer three differentiated lines of business, Commercial Banking, Consumer Banking and our HSA Bank division, one of the country's largest providers of employee benefits.

Our recently completed merger brings together two established, high-performing organizations to create a leading financial services company with increased capabilities and scale to serve our clients and the communities where we live and work.

Our Values

Integrity | Collaboration | Accountability | Agility | Respect | Excellence

Inclusive Workplace As a values-driven organization, our colleagues are the cornerstone of our success. We believe that our focus on diversity, equity, inclusion and belonging is a critical component of how we support the increasingly diverse perspectives of our clients and colleagues. It is a key to our long-term growth, and having a workforce of diverse identities, backgrounds and experiences better helps our clients and the communities we serve. This commitment starts with Webster's senior leadership team, who work to ensure that our commitment to diversity, equity, inclusion and belonging (DEIB) is integrated into the way we do business.

Environmental, Social and Governance Our environmental, social and governance activities remain a top priority for Webster. We focus on commercial lending for renewable and clean energy projects through the markets we serve. We are also committed to enhancing our internal efforts to increase

energy efficiency and reduce our carbon footprint with a goal of having a long-term positive impact on the environment.

Commitment to the Community We have a deep commitment to enhancing the economic vitality of our communities to ensure their future prosperity. This comes in many forms, from community support, volunteerism and financial investments, to working with community partners and awarding grants to non-profit organizations that assist the most vulnerable populations in our footprint. We are proud to meet the critical needs of the communities we serve throughout our footprint.
