Did You Know?

- The average household receives 20 bills per month — so a typical family can save almost \$100 per year in postage alone by going online to pay bills.

Source: NACHA, The Electronic Payments Association

- If all U.S. households viewed their bank statements and paid their bills online it would save 2.3 million tons of wood or 16.5 million trees!

Source: Javelin Strategy & Research, 2007

- Reducing use of paper bills, statements and checks by 20% eliminates 1.4 billion gallons of wastewater per year.
